

Non-Operative Treatment of AIS

Best Practice Guidelines Meeting

Wednesday
May 17, 2017

3:30 - 5:30 pm

Carroll Conference Room | 622 W. 168th St. PH-11 | New York, New York

On behalf of Dr. Vitale, you are invited to participate in a first of its kind meeting on Non-Operative Best Practice Guidelines for the treatment of Adolescent Idiopathic Scoliosis. The goal is to facilitate a discussion regarding the development of best practice guidelines among national leaders in the field of non-operative management of AIS.

Topics to be covered will include:

- **Bracing Guidelines**
Application, Sanders score, recommended hours of wear, exercises during brace wear, discharge protocol.
- **Physical Therapy Guidelines**
Minimum hours of training before discharge with HEP, exercise protocol, ADLs, exercise, and bracing.

We would be honored to have you join the group, and look forward to meeting prior to our 4th Annual CME on Non-Operative Treatment of Childhood Scoliosis on May 18th.

Please RSVP to hagitberdi@gmail.com as soon as possible.

Sincerely,

Hagit Berdishevsky, PT, MSPT, DT, MDT,
Schroth-Barcelona Institute Educator
