Dear Colleague:

Please join us for Global Spine Outreach's 4th Annual International Symposium being held on Saturday, October 28, 2017 at the Club de Industriales in Mexico City, Mexico. The meeting will focus on the diagnosis and surgical management of commonly seen spinal deformity, including the latest treatment options and avoiding complications. Topics to include pediatric and adult deformity, surgical techniques and safety measures, with case presentations and workshops. The program will be presented in English or Spanish with translation for each language. The expert faculty will include leading spine surgeons from the United States and Mexico.

Visit [www.GlobalSpineOutreach.org/events](http://www.GlobalSpineOutreach.org/events) for more details and [www.RegOnline.com/GSO2017](http://www.RegOnline.com/GSO2017) to register as space is filling up!

We look forward to seeing you!

Sincerely,

Anthony Rinella, MD

Roberto Chapa Sosa, MD

Enrique Mendez, MD
